

Concierge Assisted XRP Transfers to Lobstr

*** Available for transfers larger than 10,000 XRP Only ***

If you are concerned about making a large transfer between your accounts, concierge services are available for anyone transferring 10,000 XRP in one transaction.

- 1) INSIDE LOBSTR , add the FCHAIN.io trustline for XRP, the “green” one.
- 2) In the wallet/exchange you are sending XRP from, copy/paste this wallet address into your app Send function:

rJnUXy7x3RW58Kien2eFtZEY2Pa3HBvpQ2
- 3) YOU MUST ADD A DESTINATION TAG or a.k.a. MEMO: **28895**
- 4) Send your XRP transfer to Bank of Noot.
- 5) PM King Troll at @TacticalNoot in Telegram. Include a screenshot/proof of your transaction showing date/time, if possible, this will enable him to easily identify it. (If you are concerned you are sending the info the authentic King Troll, [click his profile picture in a GQX Chat message, then select the message button](#))
- 6) KT will then send XRP into your Lobstr  wallet.
